

Agreement on the Conservation
of Albatrosses and Petrels

Call for 2020 ACAP Small Grant Applications

Applications are sought for project funding that will assist the Agreement on the Conservation of Albatrosses and Petrels (ACAP) meet its objective of achieving and maintaining a favourable conservation status for albatrosses and petrels. Total funding of approximately AUD 86,000 is available for allocation. Applicants are encouraged to develop proposals that account for the practical challenges and limitations associated with the COVID-19 pandemic.

Applications must be submitted on an ACAP Small Grants Application Form, available from www.acap.aq. When assessing project applications, preference will be given to projects that address elements of the Advisory Committee Work Programme (see Annex 4, [AC11 Report](#)) and any research priorities identified by the AC Working Groups (see [AC11 Doc 09](#) and [AC11 Doc 10](#)). Innovative proposals making a substantive contribution to the Agreement's objective will also be considered.

Applicants are encouraged to contact the relevant [Working Group Convenors](#) or the [Advisory Committee Chair](#) to discuss the development and relevance of their application to ensure it addresses the requirements of the AC Work Programme.

Applications open on 4 September 2020 and **close on 30 October 2020**. Applications will only be accepted from ACAP Parties. Completed applications (in any of the three Agreement languages – English, French or Spanish) are to be submitted to relevant [ACAP National Contact Points](#), who will then forward them to the [ACAP Secretariat](#) by the 30 October deadline.

Applicants will be advised of the outcome of their applications by 28 February 2021.
